MICRO SURGICAL INSTRUMENTS OPHTHALMIC

Plus Surgicals Company is pioneer for Micro Surgical Instruments Ophthalmic. Over the years, Plus Surgicals has been credited with setting the benchmark of excellence in quality, R&D and customer service. Today, by combining cutting-edge technology and science, we are able to provide health care industry with the best of Micro Surgical Instruments Ophthalmic that too at the most reasonable rates.

Our Infrastructure

The main competitive advantage of Plus Surgicals is our state-of-the-art infrastructure facility. It is further divided into different segments such as Quality Control, Manufacturing Unit, Research and Development Unit and Warehousing and Packaging Unit. All these departments are managed by our highly skilful and experienced personnel. We have installed some of the advanced and sophisticated tools and machinery.

Our Team

We are supported by a highly experienced team of experts. Our staff is highly appreciated for the durable and reliable products and pay keen attention to the designing of the products. Our research and development team makes all possible efforts to improve and enhance the quality of products at all levels.

US Certification Services

Certificate of Conformity

We confirm that the technical documentation for the below mentioned product (Medical Devices of the Class I) according to the Council Directive 93/42/EEC as amended by 2007/47/EC:

Surgical Instruments (Non-invasive)

(For Detailed Specifications, Refer to Annexure or the Certificate, Page 1/3)

Manufactured by Company
PLUS SURGICALS
 CHAKRABORTY PARA, BARUIPUR, NEAR AGRADOOT CLUB, KOLKATA-700 144, WEST BENGAL, INDIA

complies with the applicable requirements of the Council Directive 93/42/EEC as amended by 2007/47/EC.

Referring to the Intended Use, the Certification Body has conducted with successful results the review of the Manufacturer's Technical Documentation of the Certified Product according to above mentioned Directive and appropriate Harmonized European Standards.

This Certificate is issued under the following conditions:

1. The Manufacturer's Technical Documentation, as required for Class I Devices, has been reviewed and found to comply with the requirements in Annex VII, Section 3.
2. It applies only to the above mentioned Medical Devices.
3. The Manufacturer is obligated to assure conformity of all the Medical Devices of the respective model to the type assessed by the mean of this Certificate.
4. Any significant changes in the Design or Process used to manufacture the Product, or revision to the Directives or standards referred above may require special audit by U. S. Certification Services. The product liability rests with the Manufacturer or his Representative in accordance with Council Directive
5. After fulfilling the relevant EU Legislation Requirements, the Manufacturer shall affix in each Medical Device, CE Marking according to the following example:

*Certificate No. : USCMOD0327164
 Issued On : March 28, 2017
 Validity To : March 27, 2024*
